

## **TRAVEL**

### **What are the airport options for flights:**

If you are looking to fly in, there are three airports that you can fly into. The Jackson Hole airport located in Moose, Wyoming, the Idaho Falls airport in Idaho Falls, Idaho or the Salt Lake City airport in Salt Lake City, Utah. Flights will vary on prices between the three airports and obviously the Idaho Falls and Salt Lake airport are farther away with added driving time in comparison to 30 minutes from Jackson Hole. Flights to Salt Lake City and Idaho Falls can be a price cut and groups who want to pitch in to rent a car can drive to the summit from there.

### **Can I rent a car in Jackson Hole?**

Currently, we have been told that there are very limited rental cars available in Jackson Hole so if you are expecting one, consider flying into Salt Lake and renting one there to drive to Jackson Hole. All of our programming will be in Jackson Hole and within walking distance of each other. We will be providing transportation for any events outside of town. If you want to enjoy the National Parks during your stay, you may want to rent a vehicle.

### **Will there be provided transportation from the airport?**

We will not be providing transportation to and from the airport at this moment. I would suggest getting a cab. Since most volunteers will be arriving and leaving the same day, coordinating a shared cab fare would be the most affordable option. There is a shuttle service from the Idaho Falls airport that is 2 hours drive and drops you off in the Albertson parking lot in Jackson Hole. Salt Lake City Express is a shuttle service that will bring you to Jackson.

Salt Lake City Express [www.saltlakeexpress.com](http://www.saltlakeexpress.com)

- Salt Lake City, UT to Jackson, WY
- Jackson, WY to Salt Lake City, UT
- Idaho Falls, ID to Jackson, WY
- Jackson, WY to Idaho Falls, UT

Altrans Mountain States Express [www.mountainstatesexpress.com](http://www.mountainstatesexpress.com)

- Salt Lake City, UT to Jackson, WY
- Jackson, WY to Salt Lake City, UT

### **Is public transportation available in Jackson and surrounding areas?**

Yes, public transportation is provided in Teton County by the Start Bus. For the schedule and details visit [www.startbus.com](http://www.startbus.com).

### **How can I connect to coordinate travel and lodging with other volunteers?**

Once accepted into the volunteer program, we will invite you to join a private Jackson Wild volunteer group via Facebook if you would like to connect beforehand. Here you will be able to connect with other volunteers and coordinate travel and lodging arrangements.

### **What are my arrival and departure dates?**

Volunteers will be asked to report Sunday September 26th at 7am so flying in the day before may be necessary to ensure you will report on time. Volunteers will be released on Friday October 1st at 6pm so you are free to depart Jackson afterwards.

### **Where is my volunteer check-in location?**

There will be a volunteer orientation at the Center For The Arts in downtown Jackson Hole where programming for the Summit will take place.

### **Is "Jackson Hole" the same as "Jackson"?**

"Jackson Hole" commonly refers to the entire valley beginning six miles south of Yellowstone National Park following the Snake River south to Hoback Jct. Our valley is 80 miles long and 15 miles wide. "Jackson" commonly refers to the main town or downtown area of the valley.

## **WHAT TO EXPECT**

### **What is the dress code for Volunteers?**

Volunteers will be representing the Jackson Wild Summit in every capacity. You will be operating as the face of our event and dress and conduct should reflect the standards we uphold. All volunteers are required to wear volunteer t-shirts during shifts. Dressing outside of your shifts is typically business casual with one formal evening, at the gala. Be aware that this is Jackson, Wyoming and a wildlife summit so the standard for business casual is more comfort minded and relaxed than in a corporate setting. This also applies for our gala evening. Don't think red carpet, more cocktail party or the like!

### **Will meals be provided to volunteers?**

During the summit you will have certain meals provided for you during our large events. However you will be expected to cover any meals not included in the Summit programming. Since we are in town this year, there are many options for restaurants to choose from depending on your budget.

### **What are the average seasonal temperatures in Jackson Hole in September?**

Temperatures range from 32°F to 69°F (0°C to 21°C) in the fall. It has snowed during the Summit some years so please bring layers and be prepared for colder weather.
